**VEHICLE OPERATIONS / INSURANCE POLICY
STATEMENT FOR VOLUNTEERS**

*Concerning insurance covering your activities as a
volunteer for the Portland Police Bureau*

As a volunteer, you are **not** covered by the City of Portland’s Worker Compensation program. You are, therefore, urged to have your own health insurance in the event you are injured while performing volunteer activities.

You **are** covered by the City General Liability Fund, which will protect you in the event of property damage or accidental injury to the public as a result of your performance of volunteer duties assigned by the Portland Police Bureau.

In addition, should you be asked to drive a City of Portland vehicle as a part of your volunteer duties, you will be covered for property damage or bodily injury to others resulting from a vehicle accident. Again, you should have your own health insurance to cover any injuries to yourself.

If you drive your own vehicle to perform your assigned volunteer duties, the above coverage applies; however, the City of Portland will not be responsible for any damage to your vehicle, and you must carry your own auto insurance for this purpose. The program will make an automatic check of your driver license number with the Oregon Department of Motor Vehicles in order to verify its validity prior to allowing you to drive as a part of your duties volunteering for the Portland Police Bureau.

If, after my acceptance into the Portland Police Cadet Program, subsequent investigation should disclose misrepresentation, falsification, or omission, it will be just cause for possible dismissal.

I have read and understand the Vehicle Operation/Insurance Policy Statement for volunteers.

I understand this is not to be considered an indication of probable appointment nor an obligation on the Police Bureau to make an appointment, but is a part of the selection process only.

Cadet Release and Hold-Harmless Waiver

I agree to indemnify and hold harmless the City of Portland, the Portland Police Bureau (PPB), it's agents, employees, and assigns, for all losses, damages, attorney fees, costs, and expenses related to or resulting from any bodily injury, property damage, or personal injury arising out of the Cadet's intentional or negligent conduct while at PPB facilities or community events in conjunction with the PPB Cadet Program.

I specifically acknowledge the following:

- 1) Entry into the Cadet Program and accompanying training and assignments will bring the Cadet into proximity with firearms and other less lethal weapons. Though Cadets will not carry or use weapons in the field and will be directed not to handle any weapons typically found in a police vehicle while riding along with their advisors, Cadets will be trained in weapons' use at the discretion of the Cadet Coordinator and will handle some weapons during training and possibly at competitions. While all possible care will be taken to ensure Cadet physical safety while training and using weapons, Cadets must be willing and able to learn firearm and weapon safety rules and use firearms and weapons in accordance with those rules. The Cadet Program, the Bureau, and the City will not be responsible for any usage of firearms and weapons by a Cadet not conforming to safety rules and training. Accordingly, Cadets and/or their guardians acknowledge by their signature that they believe they/their minor child is physically and mentally fit to handle weapons and firearms, that the Cadet will abide by all weapons and firearms safety rules and training, and that failure to follow safety rules and training will indemnify the Program, the Bureau, and the City from legal liability.
- 2) Entry into the Cadet Program and accompanying training and assignments could expose the Cadet to fatalities, blood, bodily fluids, and potentially dangerous or hazardous situations. While all possible care will be taken to ensure Cadet physical safety, Cadets must be willing and able to face typical police situations that can cause emotional reactions. Accordingly, Cadets and their guardians acknowledge by their signature that they believe they/their minor child is mentally fit to face emotionally charged situations, and that the Portland Police Bureau is not responsible for exposure to situations that can cause, intentionally or negligently, emotional distress.
- 3) Entry into the Cadet Program is entirely voluntarily and could involve moderate to heavy physical activity. Cadets and their guardians acknowledge by their signature that reasonable physical capacity is required and agree that the Cadet is participating at their own risk. Cadets and their guardians also acknowledge by their signature that there is a risk of injury resulting from accidents or physical and/or mental stress during their participation. By signing below, Cadet and their guardians attest that, to their knowledge, the Cadet is not affected by a physical condition or disability that would prohibit the Cadet from safely participating in the PPB Cadet Program. Cadet and their guardians also understand that the provisions of the Worker's Compensation act are not applicable to PPB Cadets and that, if injured while participating in any type of PPB Cadet Program activity or training exercise, participation is at the Cadet's own risk.
- 4) Entry into the Cadet Program will require the Cadet to be an occupant in or operator of city vehicles, including marked patrol vehicles. Cadets will not be driving in emergency situations likely

to require high speeds or vehicle intervention techniques, and will, when practicable, not be an occupant under these circumstances. However, in emergency circumstances not allowing time to drop off the Cadet, or in non-emergent driving situations (as either the passenger or driver), while all possible care will be taken to ensure Cadet physical safety while in a City or PPB vehicle, Cadets must be willing and able to use all vehicle safety equipment (seat belts), adhere to all supervisor instructions, refrain from touching any vehicle equipment unless instructed to do so, and driving safely within Oregon’s traffic laws. The Cadet Program, the Bureau, and the City will not be responsible for any physical or mental injuries or property damage caused by an auto accident in a City or PPB vehicle where the Cadet has not conformed to these safety rules and training. Accordingly, Cadets and/or their guardians acknowledge by their signature that they believe they/their minor child is physically and mentally fit to be a passenger in or operator of a City or PPB vehicle, that the Cadet will abide by all safety rules, training, and traffic laws, and that failure to follow safety rules and training will indemnify the Program, the Bureau, and the City from legal liability.

- 5) Being accepted into the PPB Cadet Program is privilege, not a right, and therefore there is no guarantee of my admission or continued participation. The Cadet and their guardians acknowledge they may be denied participation at any time for any reason at the discretion of PPB. The Cadet and their guardians also acknowledge that physical capability is a bona fide qualification for participation, as is a strict dress code. The Cadet and their guardians further acknowledge the City’s equity commitment to non-discrimination against protected classes. Accordingly, no liberty interest is created in participation, and the Cadet and their guardians agree that there is no constitutional right to participation.

Based on the foregoing, the Cadet and their guardians acknowledge that the only potential claims the Cadet could bring against the City are for: 1) an intentional tort (with the exception of emotional distress) committed upon the Cadet by a City bureau, employee, agent, or assign; or 2) a negligence claim sounding in product liability or a negligent act against the Cadet by a City bureau, employee, agent, or assign. By entering the Cadet program and being knowledgeable of all risks, the Cadet and their guardians agree that any damages will be limited to actual losses. Consequential, punitive, treble, or other compensatory damages will not be available and are waived.

I (and, if under 18, my parent or guardian) certify that I (we) have carefully read and understand this release and indemnity agreement. If the applicant is under 18 years of age, I the undersigned parent or guardian, certify that I have also carefully read and understand this release and indemnity agreement, and I agree to its provisions as they apply to the minor applicant.
